Individual Reading Description

Your reading is for 1 person only, and nobody can sit in with you. You may choose the focus: mediumship (messages from spirit) or your life issues (you ask questions of your spiritual team), or both. Individual Sessions are 45 minutes long: 5 minutes for grounding and intention setting and 40 minutes of reading time. You will find that this is plenty of time.

SUSANNE DOES ****NOT****

diagnose illness, or,

find a missing person or object, or,

solve murders, or,

delve into whether a partner is cheating.

Please check box to confirm. There are no refunds. 48-hours notice is requested to reschedule. No shows will not
 be refunded or rescheduled.

Please check box to confirm. According to research scientists, even the best medium is, on average,
 approximately 70-75% accurate.

Please check box to confirm. Susanne Wilson is not a doctor, counselor, or lawyer and she is not providing
 anyone with medical, psychological, or legal advice.

Please check box to confirm. If you give information to Susanne, she normally is quite careful to say, "For the
 record, you're the one who said 'XYZ'." Susanne does NOT take credit for your information.
